Principal's

Message

Dear Youth:

Today the agencies of the world are competing for your strength, intelligence, abilities and youth. In exchange for these you are offered money, position, fame, ease, and security. Sooner or later you will need to decide just what branch of the world's service you will want to accept. Before doing this it might be wise for you to check the motives that prompt your choice.

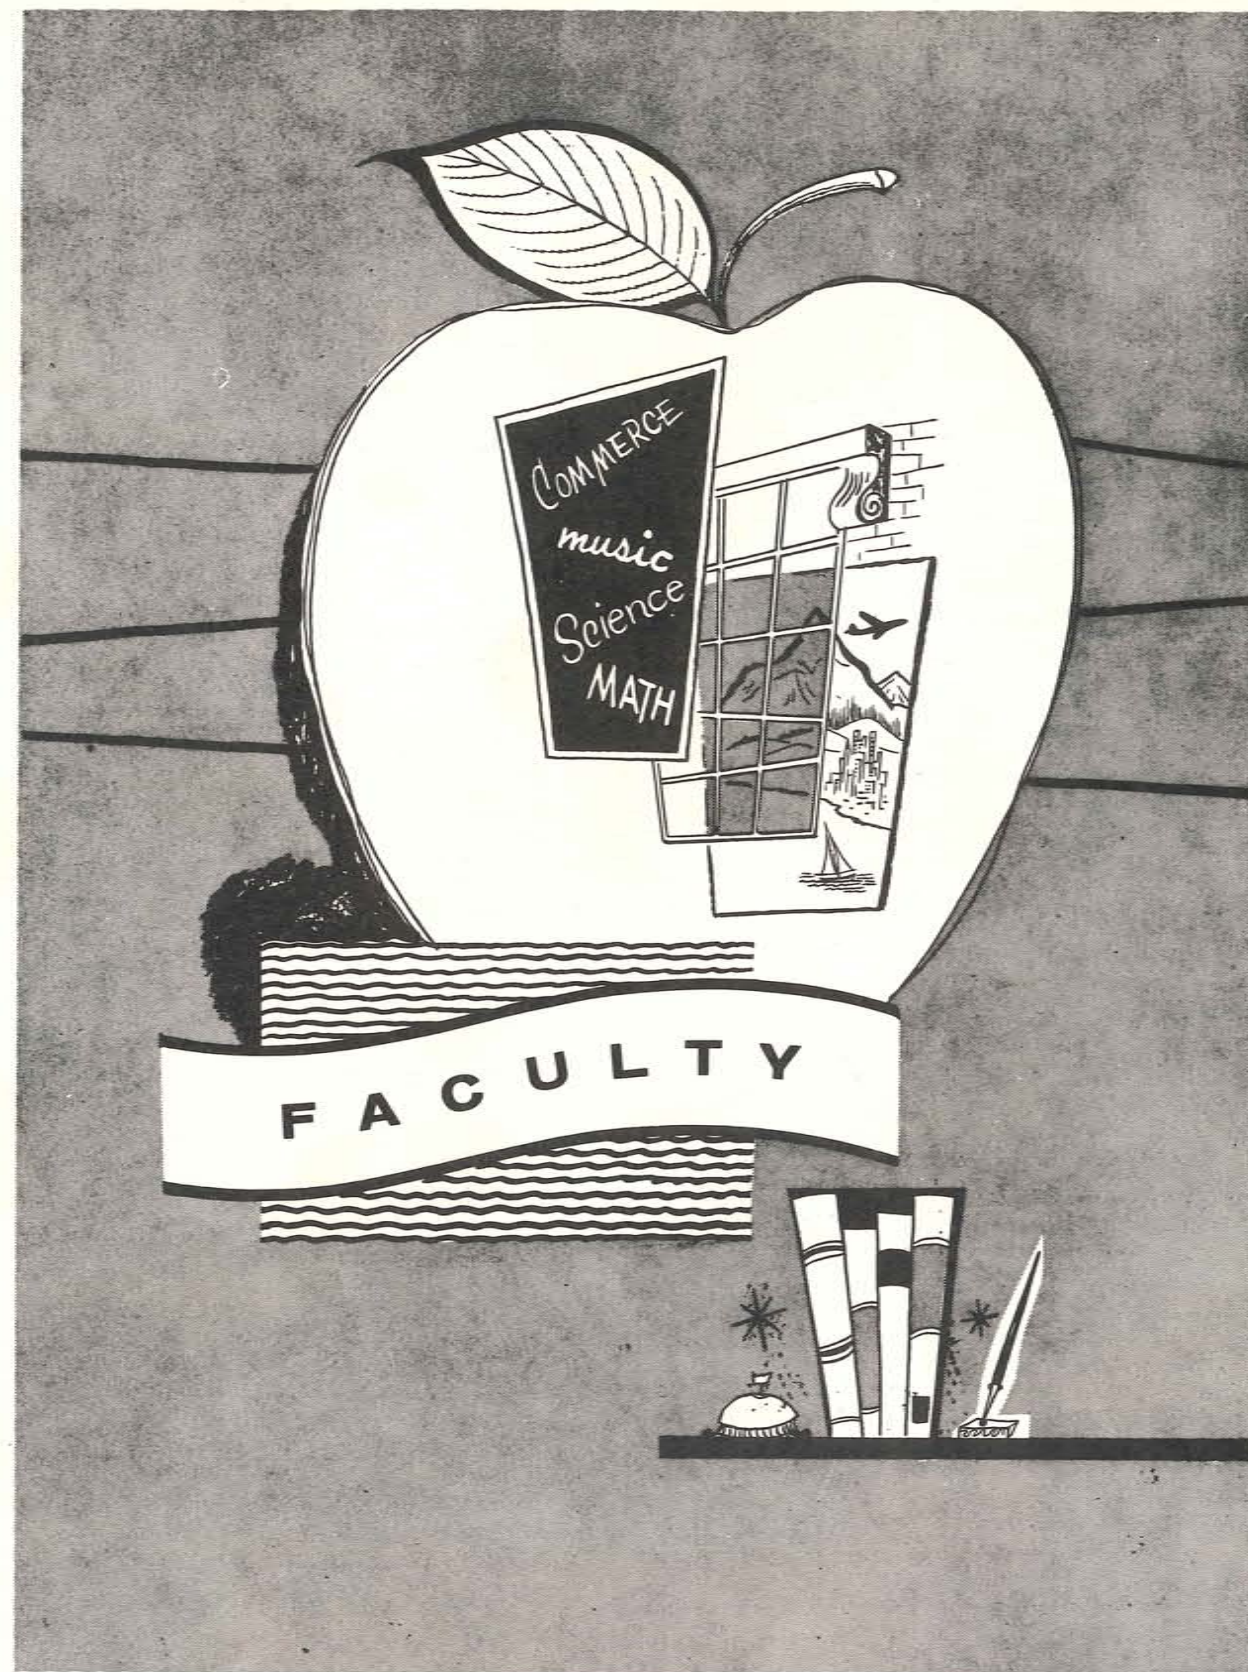

I feel constrained to remind you of one great obligation. Any young person would be worthy of the shame and dishonor which would be placed upon him by society should he be blinded to or choose to ignore the need of parents who gave him birth and cared for

him during childhood. But what about youth who fail to consider the needs of the church that made the program of Christian Education possible for them? Here is one obligation you cannot honestly pass off to another.

Whatever the choice, there is one very important contribution that you can be making today. "The world does not so much need men of great intellect as of noble character." Ed. p. 225. Cultivate in your daily life the great virtues of honesty, truthfulness, simplicity, patience, self-control, tolerance and charity. Sink your roots deep in love for the family, devotion to the principles of the GOOD BOOK and the ideals that have made your country great.

Very sincerely yours,

The Student Council

The Student Council is in its first year at Fletcher Academy. It will be the loyal body which is responsible for the success attained in the various school activities.

This organization affords splendid opportunities for the development of leadership, adaptability, co-operation and self expression. We hope that the Student Council of Fletcher Academy will make the High School bigger and better.

The council stands specifically for the following: The development of that true high school spirit which should be found in any Seventh-day Adventist school.

Many happy as well as profitable occasions will be sponsored by the council and will be counted among the high spots of high school life here at Fletcher Academy.
