# Thousands of Memories

As we go through each day, we blindly push forward, ever striving to do our best. We never stop or wonder where we will be twenty years from now. One day we will stop and look back, and this year will only be thousands of memories.

# *Student Life*

*Thousands of Memories*

As students we all are always on the move. Trying to finish homework, seeing friends, or just being in class takes up most of our time. We often take for granted some of the best and worst times we have are right here in school. This is the time from 7 in the morning to 8 at night when memories are made. This block of time is a major part of our "student life."

# The Faculty

The People that make Fletcher what it is...

"Life's not fair; the faculty have it so easy, give assignments, rattle off some information to the class, and hand the papers to their readers, or spend the day at a desk! Although this view of the faculty at FA is held by some of the students, the real life of a FA teacher is quite the contrary! Each full time teacher has at least six classes to teach and it's not just a matter of handing out assignments. If you were to spend a day observing our administrators, you'd find that they lead anything but a life of ease! Between phone calls, visitors, and committee meetings, there's hardly the time to accomplish the everyday tasks. After 6 o'clock life takes a different twist: supervision and students in need of extra instruction keep their evenings busy. I think the faculty and administrators deserve a little more appreciation than they receive. Without them, where would we be?"

## *The Sound of Fletcher*

Music at FA brings a kind of peace to our campus. It helps hone our talents, and encourages our creativity. Without it we would lose something special and unique. Because we get such a blessing out of music, the FA Annual Staff would like to recognize Miss Carli and Mr. Cox for all the time and dedication they put into our music programs this year. The two of you have made learning fun.

Thank you,

Dearest Ricky,  
 Has it really  
 been that long ago  
 since you were our  
 "hol toten", calf  
 "in", little  
 boy? Over the  
 years you never  
 failed to fill out  
 with excite-  
 ment, and oh so  
 much joy. We are  
 proud you are our  
 son and truly blest  
 to be a part of your  
 life.  
 We always remember,  
 the Lone Ranger  
 "I ain't got nothin' on  
 you cause you  
 proved, "A country  
 boy can survive!"

We Love You Very  
 Much,  
 Mom and Dad

Rob,

We're extremely proud of  
 how you have matured and  
 taken on numerous  
 responsibilities in life. You have  
 been doubly blessed with  
 imagination and creativity. You  
 will soar high with these skills!

Keep God as one of your  
 favorite Friends. Favorite  
 friends, you know, aren't just  
 for sharing the good times with.

Love you (I know )  
 Mom and Larry

Dear Jennifer,  
 "It's amazing  
 how you can  
 speak right to my  
 heart Without  
 saying a word you  
 can light up the  
 dark. Old Mr.  
 Webster could  
 never difine,

 You will always be  
 Daddy's little girl,  
 and Mom's best  
 friend. We hope  
 the word of the  
 song you dang  
 say it all... "The  
 smile on your face

lets me know that you need me. There's a truth in your eyes saying  
 you'll never leave me. The touch of your had says you'll catch me if  
 ever I fall You say it best, when you say nothing at all."  
 What a Challenge you have us when you deidcated that song to the  
 parents. May we always remember that it is our example not our  
 lectures that make a difference. Thank you for the music you have  
 brought into our lives, and all of the animals you will be leaving

Dear Brandon,

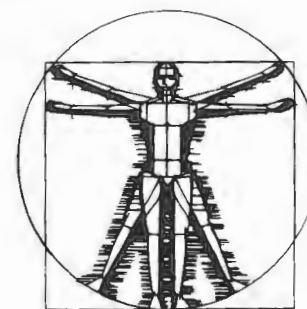

You have made us very  
 proud. Your "Terrible Twos"  
 lasted till you were four but  
 fro then till now you've been  
 ideal. Maybe you're saving  
 some surprises for us in the  
 future. We want you to  
 know nothing you could  
 possibly do, no matter how  
 bad, would cause us to stop  
 loving you.
