## A Long Walk, In the Same Direction

Organizations and people all come upon a variety of turning points as time passes. Sometimes we encounter a turning point when our lives really change forever - no turning back from some turning points. Other turning points are more gradual and seem to move us along a path in the same general direction.

The 100-year history of Fletcher Academy is a long walk, in the same direction. There have been buildings built, then torn down, and new ones built. Thousands of teenagers have come to this campus, encountered turning points in their lives while here, and even more after they left. As these people and events have come and gone, FA has continued along the same path in the same direction - helping teenagers learn to know and to love Jesus.

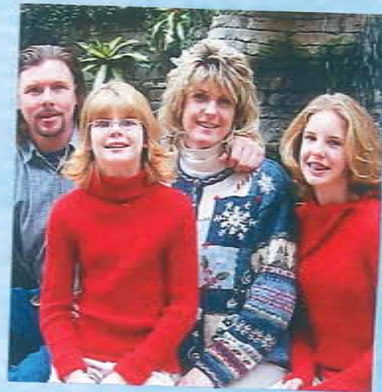

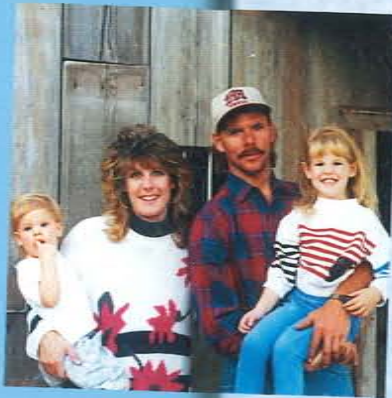

This year has been another turning point for Fletcher Academy, as we turn 100. FA is different this year from what it was last year and next year will be different again. Certainly all of these years are different from 100 years ago. But Fletcher Academy continues on "A Long Walk, In The Same Direction - Education for Eternity"

As you leave FA this year, my prayer is that you will continue your walk with Jesus. May your walk with Him be a long walk, in the same direction as your relationship with Him grows and grows.

Dale Twomley

There is not a singular possible way that this book you hold in your hands can capture the true spirit of Fletcher Academy. Our school, in which you have made some of the best friends, had the best classes, the worst tests, and bonding time with your classmates, cannot be contained in one book.

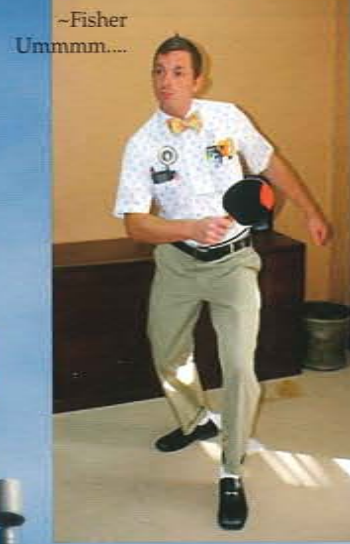

These pictures that we have taken and placed in this book are meant to remind you of the friends beside you in that photo, the reason you are smiling. The time when Johnson wore a wig to banquet. When the Sophomores and Seniors tied for first place in Winter Olympics. When you rode on the bus and had the funniest conversations with your best friends. How Week of Prayer had everyone talking about God that week.

I don't know how this school had affected you. But I do know that you have had positive experiences this year, and I hope we successfully captured a few precious memories within these pages.

## Randy Greve...

As the Beatles sang, it has been a "long and winding road" to the door of graduation and adulthood. Many times you've felt alone and many times we've cried, and I'm sure we'll never know the many ways you've tried. Your willing spirit, sunny smile, tough shins, good heart and mind have triumphed over earlier demons. As Ray Romano proves, one can work hard, enjoy life and bring joy to everyone around.

Everybody loves Randy!!!

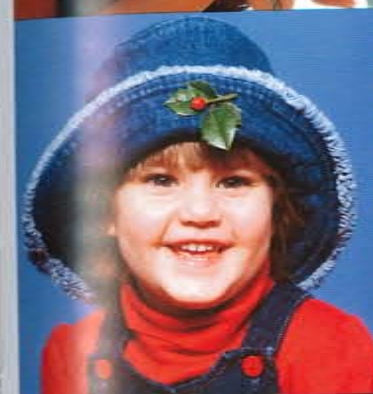

Especially Mom, Dad, Sarah Grandmas, Grandpas, Aunts, Uncles, and Cousins. Ellen, Jake, Zoe, Jackie, Amy, Samantha, and Mad Cow.

Congratulations Marissa!

We are so proud of you as you are about to graduate! You are such a dear daughter to ur and a great sister to Mitchell. We love how you laugh easily, your enthusiasm for life, you class leadership in the past two years, and our hard work in getting such good grades your whole four years at Fletcher. You never do anything half-way and your enthusiasm is contagious. This is an exciting time in your life as you stand on the edge of adulthood. Many important decisions await you in the next few years, but we know with God as your guide, you will make the right ones and let God use you to do great things in life. We want you to know that we will always love you and be here for you, no matter what what the future brings.

With lots of love... Mom, Dad, and Mitchell

"I hope your dreams take you... to the corners of your smiles, to the highest of your hopes, to the windows of your opportunities, and to the most special places your heart has ever known." And May God lead your every step. We love you and are very proud of the beautiful young woman you have become. Congratulations!!!

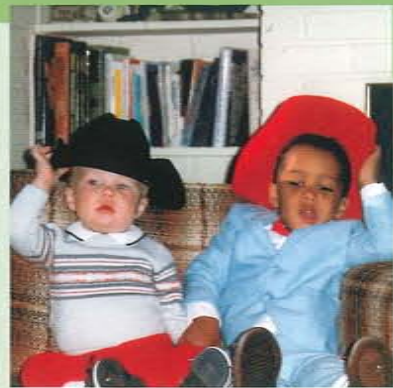

Love

Mom, Dad, Daniel and Rebecca

"Howdy from the Montgomery Brothers"

"Hey Royce, let's send our application in to Fletcher Academy, what do you say?"

"Uh, I'm thinkin' bout it."

"We both got accepted!"

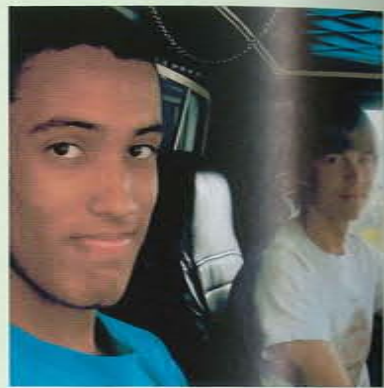

"Yes!"

"Bye mum, we are headin' for Fletcher."

"This ought to meet the Fletcher dress code don't you think mum?"

"You guessed it! Seven more months until graduation at FLETCHER"

Congratulations brother - We did it!

Congratulations Bradley and Royce Montgomery!

Congratulations!!

Jonathan,

We cannot believe you're graduating already! We're proud of you and appreciate your commitment to God, your studies and your work. Your love of learning will benefit as you move into higher education. In fact, all through life you will never stop learning. Our prayer for you is that no matter what you do, you will always keep what's important in focus: service to God and service to your fellow man.

With much love,

Dad & Mom

*My Dearest Cameo*

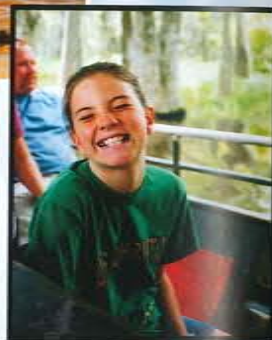

You are such an amazing gift from God. From your first breath you have brought joy, beauty and hope to my heart. I cherish those memories of when I carried you in the Snuggly backpack and we would hike in nature. Daddy and his precious little girl, hearts close as we explored God's world.

Your life constantly reveals the creative love of God as you, with a soft heart, listen to his love and accept his call on your life. When I look to your future, basing my thoughts on your giftedness, openness to God's leading and your desire to make a difference, I see powerfully significant events flowing from your determination to live for Jesus.

From your earliest childhood music has been your constant companion. You have soaked in melody and freely allowed harmony to flow through every pore of your life. Now as you alight from high school, to ahead, give wing to your dreams, set off with passion and live the life that has been give you.

It is with a father's pride that I stand quietly, with eager anticipation, listening to hear the life's music that will flow throughout the world, from the Master's hand through the miracle of you.

*I love you Cameo, Dad*

*My precious Pickle,*

It is impossible with words alone, to express the essence of you. You are a dream come true. And though I am proud of all you've done and where you are in life, you are so much more than your accomplishments. Your value is not measure but deeds and tasks, your value is in WHO you are. You are a combination of fierce loyalty, immeasurable determination and deepest compassion for the misunderstood.

Cameo you are a symphony: at times the deep rich tones of a cello, sometimes the light, airy notes of a flute, occasionally the declaration of trumpets or the mellow sound of the clarinet. But most often a piano solo, harmonious, soothing and beautiful. And I sit back in awe that God honoured me with the privilege of being your mother. Baby, don't let anyone put you in a box. You were meant to fly, to soar on wings like eagles. Remember, you are who God says you are. And you can do all things, ALL THINGS, through Christ. Go with God, walk with Jesus,

Thank you for the music that is you,  
Love, Mom

*Trust in the LORD  
with all your heart  
and lean not on  
your own understanding;*

*in all your ways  
acknowledge him,  
and he will make  
your paths straight.  
Proverbs 3:5, 6*
